PROFESSIONAL EXPERIENCE

SureSwift Capital — Marketing Coordinator April 2023 – Present

MeetEdgar, social media automation SaaS (April 2023 – Present) · **LeadDyno, affiliate marketing SaaS** (May 2026 – Present) · Remote, Canada

- Own multi-channel marketing strategy and execution — web, social, SEO, email, and paid — across two SaaS business units simultaneously, from planning through post-launch analysis.
- Led a full website redesign paired with a sustained organic SEO push: **+49.67%** organic traffic, **+80.8%** impressions, **+28.6%** clicks in 6 months; **+22%** traffic and **+48.8%** new organic users year-over-year.
- Rebuilt and personalized the trial onboarding email workflow, increasing open rates from **47.6% to 56.4%** and click rate from **2.7% to 4.6%**.
- Built helpful SEO-optimized resources that drove organic traffic growth and served as lead generation assets for both products.
- Built a strategic lead-gen on LeadDyno's highest-traffic blog post to capture potential affiliates for merchants — **23 submissions from ~1,897 visitors** in the first month.
- Built and optimized automated user workflows both in-app and externally (email and lifecycle campaigns) to increase conversion, engagement, and retention.
- Partner directly with cross-functional teams on feature launches: collaborating on product ideation, release-ready copy, and user experience optimization.

The Rocket Digital — Agency Owner / Freelance January 2024 – December 2024

Victoria, Canada

- Independently owned and delivered multi-channel marketing projects for clients across industries.
- Coordinated and delivered multiple projects simultaneously, balancing timelines, scope, and execution quality.
- Built full branding, a website, and marketing automation for a counselling practice that generated **qualified client inquiries within the first month of launch**.
- Developed a full brand identity and guidelines system for a historic downtown business district in Victoria, BC, aligning a diverse group of independent businesses around one shared identity.

ChatterBlock — SEO Assistant April 2023 – May 2023

Victoria, Canada

- Reviewed and optimized a large volume of content for SEO and quality standards; ran pre-publication quality checks.
- Coordinated with writers and editors to streamline workflow, cutting errors **15%** and improving turnaround time.

Renzoku Tech School — Marketing Lead August 2022 – April 2023

Victoria, Canada

- Ran a multi-channel push — social media, a full website revamp, and targeted ads — as one coordinated strategy, contributing to a **60% increase in qualified leads**.
- Directed content creation and distribution across digital platforms, growing engagement and brand awareness **25%**.

PBH Wellness Group — Social Media & Digital Marketing Manager February 2022 – August 2022

Victoria, Canada

- Managed social, paid social, and email marketing across multiple clinics plus one e-commerce brand, growing engagement **20%**.
- Analyzed engagement and performance data to guide optimization decisions.

Mega Dias Distribuidora Eireli — Marketing Assistant June 2020 – June 2021

Divinópolis, Brazil

- Developed the company's online presence and revitalized its product catalogue, boosting brand visibility **18%** across print and digital media.
